CREATE HOPE AT CAMP

**Two Generous Grants available to subsidize
Hearts of Hope kits for children's bereavement
and support camps. Details follow.**

ABOUT US

We serve those grieving loss and tragedy through education, compassionate outreach, and community service. Community Service is our flagship where we "Paint with a Purpose." Check us out at www.ourheartsofhope.org.

Is your group virtual or in-person? We can do both!

"PAINT WITH A PURPOSE" JUST OPEN THE BOX & BEGIN!

We supply everything for an amazing experience: small handmade ceramic hearts, paint brushes, craft acrylic paint, message cards, placemats, gift bags, instructions, and more.

Campers/groups paint and decorate hearts, compose personal messages of caring and compassion and package these as gifts. Hearts of Hope gifts become personal keepsakes or given away to others in need.

EMPOWERING YOUNG PEOPLE

All who participate in this experience truly do "create hope" for themselves and for others. For young people, especially those with challenges of their own, this is empowering beyond words.

HOW IT WORKS

For qualifying groups of camps, schools, scouts, and other community groups, we can double any order you would like to make. Contact us at 973.224.6900 or email us at info@ourheartsofhope.org to learn more.

**GIVEN CURRENT DEMAND, WE SHOULD BE ABLE TO OFFER THIS
THROUGH EARLY SUMMER 2021**
